Where Nature Meets the Arts

Hello Artisans,

A warm hello from the Cook Forest Sawmill Center for the Arts. We have all faced challenging and difficult times the past two years, but we came together and have had two very successful Craft Market seasons. We thank you, our vendors, for supporting us and we look forward to working with you again in 2022. We are planning on four festivals for the year, as we have decided to not host the Festival of Trees in December. The Verna Leith Theatre will open again this year, too. If warranted, we will once again follow government, state, and DCNR health guidelines.

We are planning to open the Craft Market on Saturday, April 30th for the season. We will be at the center on April 20th - 22nd from 10 am – 3 pm and April 25th - 29th from 10 am -3 pm for vendors to drop off their items. If you need another time to come in, please let me know. You can call or email to schedule a time. Leave a message and I will return your call. I will be back in the office part time beginning April 4th.

Please bring with you:

- ✓ Merchandise already priced with your vendor and item number. Please remember we retain 35% of the selling price as consignment. Multiply your price by 1.84 to add 35%.
- ✓ Completed inventory sheet with your signature. Please include on the inventory sheet any personal display pieces that you bring to use.
- ✓ -Completed W-9 form. (Please complete sections 1,3,5,6, part 1, sign and date)-Part 1 MUST be filled out with your ss# or ein#. If we do not have this information on file, our accountant cannot issue a check. All completed W-9 forms will be on file and confidential at our accountant's office.
- ✓ \$50.00 cash or check made payable to the Sawmill Art Center. We also accept credit cards.

All forms will be available on our website by April 1st.

All 2021 vendors may use the same vendor number from last season. All others must call to verify number from previous years.

All new artisans must be juried before participating in the Craft Market. If you are currently a member of PA Wilds, you will be accepted by the Craft Market. Please contact me for a vendor number.

Commission checks will be mailed out by the middle of each month. If your commission for the month is \$25.00 or less, we will hold it and combine it with the next month. We will only hold one month at a time. October and November checks will be combined and mailed by the middle of November after the Cook Forest Gingerbread Tour.

Our last weekend open will be November 4th - 6th, which is the Cook Forest Gingerbread Tour. I will issue a letter with your September commission checks which will include the dates and times we will be available for you to remove your inventory from the market end of the season.

I am working from home and will be back in the office part-time starting April 4th.

Please let me know if you have any questions. Gaye, Maria, and I look forward to seeing you all this coming season!

Thank you,
