

# Cook Forest Sawmill Center for the Arts

*Where Nature Meets the Arts*

The Cook Forest Sawmill Art Center is pleased to announce that we will be hosting our annual woodcarving competition and woodworking show on July 8<sup>th</sup> and 9<sup>th</sup>, 2023. This year's theme will be "SPIRIT OF AMERICA". Entries will be judged, and ribbons will be awarded, along with monetary prizes for the top carvings.

There will be some changes with the show this year. We will not be charging carvers the \$5.00 entry fee to enter pieces into the competition this year, nor are we charging patrons to view the carvings. In order to help maintain the festival, we have decided to add all forms of woodworking to be on display for the weekend. We are hoping this will increase the number of entries received and spectators to the event. We will keep carvings separate from other pieces of wood art and only carvings will be judged. Again, carvings can be submitted as exhibition only and do not have to be judged.

Once again Bob Stadtlander will be hosting a carving class from July 10<sup>th</sup>-14<sup>th</sup> and August 25<sup>th</sup>-27<sup>th</sup>, here at the Sawmill Art Center. Please call or email if you would like more information.

Thank you for your interest and we look forward to seeing you.

Sincerely,

Misty Stanley
